OUR STORY

The Phillip R. Miller Foundation is a 501-3C nonprofit organization founded by Phillip R. Miller Jr. in 2014. During his 20 years in public education and as a community activist, Mr. Miller has worked tirelessly to provide urban children with positive adult relationships, intensive educational interventions, and effective behavior modification strategies. The creation of this foundation is a continuance of his efforts.

The PRMF strives to accomplish these goals through a variety of programs, which include:

- MALE ACTION PLAN (MAP)
- MENTORING
- CONFLICT RESOLUTION
- YOUTH OFFICIALS
- LEADERSHIP ACADEMY

M.A.P.

An individualized action plan is created to address the specific needs of each young man. The plan highlights both educational and social strengths and challenges. The plan also serves as a guide to determine the scope of services the young man needs.

MENTORING

Youths are paired with highly qualified mentors according to their goals and interests.

CONFLICT RESOLUTION

An intensive intervention plan designed to positively address behavioral issues by teaching alternative methods of handling conflict and instilling self confidence.

YOUTH OFFICIALS

Introduces teens to high school sports officiating. Teens will be trained to officiate various sports, become registered high school officials, join local officials associations, and have the opportunity to earn money while acquiring invaluable life skills .

LEADERSHIP ACADEMY

Teens get hands on experience in

the workforce through volunteer and/or paid internships. Essential leadership attributes are explicitly taught and put into practice in the real world. Topics such as self-esteem, business decorum, public speaking, and self advocacy are covered in this program.
